Re: Trnsfer your profile to other business unit

Dear Mr. Tuen,

Thank you very much for replying! I'm glad that you've found someone to meet your needs.

I hope that the PM business unit might have an opportunity suitable for me. Even if they don't though, I'm still happy to receive a personal reply rather than just an automatic "Has been read" notification from 104. I can tell that you genuinely care about the people who are involved in your company, and that is very important!

Best regards (and God bless you too!),

Peter Burkimsher

Hi, Peter

Thanks for your interested in this job, unfortunately we had hired a young man last week.

And I also pass your personal resume to PM business unit for their reference, if it's suitable for their demand.

Please don't hesitate, just call me if I lose something

Thanks

Best Regards
